

ATTACHMENT C

MINIMUM QUALIFICATION REQUIREMENTS

The following minimum qualifications have been established as a basis for determining the eligibility of the Proposer. A response will be considered non-responsive and will not be evaluated unless sufficient documentation is provided to determine whether the Proposer meets the following minimum qualifications:

1. Proposer, as the Design-Builder, must be licensed, registered, and practicing and providing professional Engineering services under Title XXXII, Regulation of Professions and Occupations, Florida Statutes, Chapter 471, "Regulation of Professions and Occupations Engineering, "as applicable to the named profession in the State of Florida for the last five (5) years under its current business name; and
2. Proposer must demonstrate the ability to obtain a performance and payment bond in an amount of \$10,000,000 (ten million dollars) or more. Proposer shall provide a letter signed by an authorized representative of Proposer's surety company (or agent) confirming that the Proposer can meet this minimum requirement. Any Proposer who fails to meet this mandatory minimum requirement will be considered non-responsive and will not be considered further in the Procurement process. The surety shall be a company authorized to conduct business in the State of Florida with a minimum rating of A- VII or better. Letters indicating "unlimited" bonding capability are not acceptable; and
3. Proposer must document that it has the ability to meet the minimum insurance requirements as set forth in the Sample Agreement. Proposer shall provide a letter from Proposer's insurance company or broker indicating that the Proposer is capable of complying with the insurance requirements. Any Proposer who fails to meet this mandatory minimum requirement will be considered to be non-responsive and will not be considered further in this Procurement process. The insurer shall be a company authorized to conduct business in the State of Florida with a minimum rating of A-" or better and a Financial Size Category of "IV" or better according to the most recent rating in effect by the A.M. Best Company.
