Buy America Preference Applicability Checklist

This checklist follows the analysis steps as described in Section VII of Notice CPD-25-01 and may be retained for recordkeeping purposes.

Project Information

Grantee	Palm Beach County
Subrecipient/Participant	City of Riviera Beach
Project Name	35th Street Improvements
Agreement #, Funding Source & Amount	Agreement # TBD, CDBG, \$197,012.00

Step 1. Determine if the project is a public infrastructure project as defined in Sections II and III of Notice CPD-25-01.

☒ Yes	Continue to Step 2.
☐ No	The BAP does not apply. The BAP only applies to public infrastructure projects. Stop here.

Step 2. Is the project funded using a Covered CPD Program?

Check the box below for each CPD program funding this project.

Group A: Covered CPD Programs

☒	CDBG	☐	SHOP
☐	Section 108	☐	VHRMP
☐	HOME	☐	CPF/EDI
☐	HTF	☐	Section 4
☐	RHP	☐	Rural Capacity Building
☐	ESG	☐	PRO Housing
☐	CoC	☐	PRICE
☐	HOPWA	☐	FY23 PSH Funds

Group B: CPD Programs Not Covered by the BAP

☐	CDBG-DR	☐	CDBG-CV
☐	CDBG-MIT	☐	HOPWA-CV
☐	CDBG-NDR	☐	ESG-CV
☐	HOME-ARP		

If you selected **any** Group A programs (even if Group B programs are also selected), answer yes. If you selected **only** Group B programs, answer no.

☒ Yes	Continue to Step 3.
☐ No	The BAP does not apply to this project because it is not funded by a covered CPD program. Stop here.

Step 3. Will the project use Covered Materials?

Each material should be classified into only one category: iron and steel, specifically listed construction materials, not listed construction materials, or manufactured products. This classification is necessary to apply HUD's Phased Implementation Waiver.

Check the box below for each type of covered material incorporated into this infrastructure project.

☒	Iron or steel
☒	Specifically Listed Construction materials
☒	Not Listed Construction materials
☒	Manufactured products

If you checked any boxes above, answer yes.

☒ Yes	Continue to Step 4.
☐ No	The BAP does not apply to this project because it will not incorporate any Covered Materials. Stop here.

Analysis continues on next page.

Step 4. Based on the obligation date of the covered CPD program funds, does the BAP apply to the funding source and Covered Materials that will be used in the project?

Use the phased implementation table to determine whether the BAP applies based on the obligation date for the covered CPD program funds and classification of materials. The BAP may only apply to some Covered Materials used in the project.

The obligation date is generally the date that HUD executed the grant agreement for covered CPD program funds to the grantee. This date may be found in the grant agreement. The obligation date is not the date when the grantee commits funds to a project under a subrecipient agreement.

BAP will apply to...	Iron and Steel	Specifically Listed Construction Materials	Not Listed Construction Materials	Manufactured Products
CDBG	CDBG funds obligated on or after 11/15/22	Projects using FY24 CDBG funds	Projects using FY25 CDBG funds	Projects using FY25 funds.
RHP	RHP funds obligated on or after 8/23/23	RHP funds obligated on or after 8/23/24	RHP funds obligated on or after 8/23/24	RHP funds obligated on or after 8/23/24
All other CPD programs except HOME and HTF	Funds obligated on or after 2/22/24	Funds obligated on or after 8/23/24	Funds obligated on or after 8/23/24	Funds obligated on or after 8/23/24
HOME and HTF	HOME or HTF funds obligated on or after 8/23/24	HOME or HTF funds obligated on or after 8/23/24	HOME or HTF funds obligated on or after 8/23/24	HOME or HTF funds obligated on or after 8/23/24

☒ Yes	Indicate here which Covered Materials the BAP applies to and continue to Step 5: ☒ Iron and steel ☒ Specifically listed construction materials ☒ Not listed construction materials ☒ Manufactured products
☐ No	The BAP does not apply to this project because the funds were obligated before the effective date for the program/materials used in the project. Stop here.

Step 5. HUD has issued several general waivers. Check the box next to any conditions that apply to the project.

Public infrastructure projects that meet the conditions of a general waiver may be exempt in whole or in part from the BAP.

☐	The total cost of the project from all sources (Federal and non-Federal) is below the Simplified Acquisition Threshold, currently \$350,000. If checked, the Small Grants Waiver applies, and the project is exempt from the BAP.
☐	There is an urgent need to immediately complete the project because of a threat to life, safety, or property. If checked, the Exigent Circumstances Waiver applies, and the project is exempt from the BAP.
☐	The project is in Guam, American Samoa, or the Northern Mariana Islands. If checked, the Pacific Island Territories Waiver applies, and the project is exempt from the BAP.
☐	The project is being funded by a Tribal recipient. If checked, the Tribal Recipients Waiver applies, and the project is exempt from the BAP.

If you checked any of the boxes above, answer yes below.

☐ Yes	The HUD general waiver selected above is being applied to this project, so the BAP does not apply to the entire project. Attach documentation of the conditions of the waiver and then stop here.
☐ No	Proceed to Step 5a.

Step 5a. Calculate the *De Minimis* limit for the project:

The total cost of all Covered Materials includes all iron and steel, construction materials, and manufactured products used in the project, regardless of whether the BAP currently applies under the Phased Implementation Waiver.

Enter the total cost of all Covered Materials:	
Multiply that amount by 0.05 (5%):	
Enter the lower of the number calculated in the row above or \$1,000,000:	

The amount in the third row above is the *De Minimis* limit for this project. The BAP can be waived for Covered Materials from foreign or unknown sources at a cost not to exceed the *De Minimis* limit of 5% of the total cost of materials or \$1,000,000 (whichever is less). The BAP

will still apply to other Covered Materials used in the project. **Attach a list of Covered Materials and their associated costs to which the *De Minimis* limit has been applied.**

Step 6. Is there a need for a project-/product-specific waiver?

If the BAP applies to a project and all general waiver flexibilities have been utilized, but there are remaining Covered Materials that can only be sourced from foreign or unknown sources, then a grantee may apply for a project-/product-specific waiver.

☐ Yes	Refer to guidance in Section VII Step 6 of Notice CPD 25-01.
☐ No	Stop here and retain this analysis in project records.

Buy America Preference Certification

Project Information

Grantee

Project Name	
Agreement #, Funding Source and Amount	

This “*Buy America Preference Certification*” is used to certify that, as required by the Build America, Buy America (BABA) Act, all of the iron, steel, manufactured products, and construction materials incorporated into a public infrastructure project are produced in the United States, unless exempted by a HUD general waiver or a project-/product-specific waiver approved by HUD and the Made in America Office (MIAO) at the Office of Management and Budget (OMB).

For Covered Materials not otherwise exempted from the Buy America Preference (BAP), the undersigned certifies the following:

- All iron and steel used in the project are produced in the United States. This means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States;
- All manufactured products used in the project are produced in the United States. This means the manufactured product was manufactured in the United States, and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard that meets or exceeds this standard has been established under applicable law or regulation for determining the minimum amount of domestic content of the manufactured product; and
- All construction materials used in the project are manufactured in the United States. This means that all manufacturing processes for the construction material occurred in the United States.

Attach a list of all Covered Materials procured by the signatory and used in the project.

I/We, the undersigned, certify under penalty of perjury that the information provided above is true and correct. WARNING: Anyone who knowingly submits a false claim or makes a false statement is subject to criminal and/or civil penalties, including confinement for up to 5 years, fines, and civil and administrative penalties.
